VICTORINOX

Victorinox – Maker of the Swiss Army Knife Since 1897

A rock-solid heritage, exacting commitment to Swiss precision and a consistent focus on quality and innovation are the absolute cornerstones of our business. Founded on integrity and family values, today we operate in over 120 countries worldwide.

The original Swiss Army Knife, created by Karl Elsener in 1897, embodies the essence of Victorinox. Directional, intrepid and pioneering on the global stage, today our international brand spans five product categories: Swiss Army Knives, Cutlery, Watches, Travel Gear and Fragrances.

Welcome to Wenger

Wenger is a well-established company in Switzerland. It was founded in the Jura region of Switzerland in 1893, and what originally started out as a knife factory quickly made a name for itself for its innovative and precisely manufactured products. These include the legendary Swiss Army knife, of which Wenger is the sole manufacturer alongside Victorinox. Despite its international success, Wenger has always remained loyal to its Swiss roots and traditions. We are proud to have had Wenger as part of Victorinox since 2005. Both brands maintain the same traditional values and complement each other perfectly. Wenger now focuses on producing watches and travel gear and offers top quality at a reasonable price in both fields.

Let yourself be inspired and impressed by the range of products Wenger has to offer – every watch and every travel gear combines reliability with style, a contemporary design with the ultimate in functionality, well-selected materials with meticulous workmanship. I am sure that you too will find the perfect companion for your active, mobile lifestyle in the Wenger collections.

Our Warranties: What We Offer Our Customers

Your Wenger product is backed by a Five-year warranty from the date of purchase against manufacturing defects. Should a manufacturing defect in materials or workmanship appear under normal use during the warranty period, we will repair or replace your product at our discretion with the same model or an equivalent.

This guarantee is non-transferable and does not cover cosmetic damage, wear and tear, damage resulting from abuse, misuse, unauthorized repair or improper handling, common carrier damage or the contents of your bag.

Proof of purchase from an authorized retailer is required and shipping costs to our repair center are the responsibility of the owner.
